

# Committing to lifelong learning

We offer more than **4,500 courses** to ManpowerGroup employees and associates through our powerYOU virtual classroom. This equips them with the tools they need to develop their skills and progress their careers in whatever direction they choose. We know first-hand that improving people's learnability and employability means businesses have access to a **wider pool of quality talent and individuals have the in-demand skills** that give them more control and choice throughout their careers.
