

What is powerYOU?

Having great skills can help you...

The skills required to succeed are constantly changing and our people need quick and easy access to training - when and where they need it. Manpower's powerYOU training platform provides Manpower Associates free online access to:

- ✓ Thousands of online courses covering a range of topics from software applications like Word or Excel, to business skills courses on topics such as communication or problem solving, to the most in-demand programming languages like SQL, JAVA and C#
- ✓ Certification prep courses like project management, human resources, or data management to name a few.
- ✓ Mobile friendly functionality so you can explore and learn on the go.

How do I get access?

Your **Talent Agent** will send you a self-registration link to create your unique account. Alternatively, click the **button below** to one-time register and then for continued access.
